

We are shaping the future, paving the way to tomorrow  
for people, automobiles, and the environment  
by continually innovating and offering new products worldwide.

# Shape the Future

## ■ Our Credo

## ■ Code of Conduct

- Strive for self-development under the motto of admiration and mutual trust
- Provide high-quality, low-cost products using cutting-edge technologies
- Be independent and use knowledge and agility to give back to society

## ■ Vision

Shape a better future for people, automobiles, and the environment through the fusion of passion and innovation.

## ■ Basic Sustainability Policy

We will strive to realize a sustainable society and improve corporate value through business activities for the better future for people, automobiles and the environment to which G-TEKT aspires.

## Purpose of Publication
