Respect
human dignity

Cutting-edge
technology

Sound
corporate
management

Code of
Conduct

Strive for self-development under the motto of admiration and mutual trust
Provide high-quality, low-cost products using cutting-edge technologies
Be independent and use knowledge and agility to give back to society

● Vision

Shape a better future for people, automobiles, and the environment through the fusion of passion and innovation.

Top Message

Challenge and Growth

G-TEKT supports the creation of safe and environmentally friendly automobiles.

We will foresee trends and always take on challenges with an aggressive stance in order to continue growing in the automotive market, which is in a period of major transformation.

President, Chief Executive Officer

Naohiro Takao
